A lot of thought, love and, of course, fine detailing goes into the blueprinting of a loved one's wedding. Every ritual, ceremony and outfit requires a great deal of planning. If you are looking for the ideal options to make your dream wedding a reality, the fourth edition of Trousseau Week – organised by The Collection, UB City and Sublime Gallery – to be held in Bengaluru from October XXXX to October XXXX offers a variety of options to suit every taste.

Trousseau Week 2013 will provide the best of wedding couture, planners, fashion designers, banquet facilities, tourism boards, international and national luxury brands, all on one platform. In keeping with this year's theme

of 'Emerald Green', The Collection, UB City will be lavishly decorated in the hue.

Conceptualiser and organiser of the haute event, Uzma Irfan says, "Indians today are well-travelled and have immense global exposure. As a result, they are extremely aware of the latest trends in fashion and design. With a rapid increase in the disposable incomes of a large section of the population, dream weddings are not limited to celebrities any longer. Most urban couples who are planning to tie the knot do everything within their means to get the best of venues, designerwear, hospitality and more to make their special occasion a more memorable one. At Trousseau Week, we attempt to provide all this and more under one roof, with the help

of some of the best brands in the market."

Trousseau Week 2013 will kick-start with a grand opening night that will showcase a haute couture fashion show choreographed by Marc Robinson. International and national fashion models will walk the ramp draped in the latest designerwear from global luxury brands.

AS Motiwala Fine Jewellery, whose coloured diamond creations are famous for their breathtaking designs, will also display their diamond collection on the occasion.

Trousseau Week 2013 has upped the 'It' quotient of nuptials and with a plethora of attractive offerings from every slice of luxury, it is an event that is bound to be a landmark one!
