Bangalore: On the occasion of 'Trousseau Week 2013', Sublime Galleria – India's only Sky Gallery presents AS Motiwala's latest jewellery collection 'ASM SHIEKHA' from Mumbai. AS Motiwala will be launching this exclusive collection in Bangalore on 22 November 2013 and the exhibition will be on till 24 November 2013.

'Shiekha' is an Arabic word, denoting 'a princess/a lady with elegance and poise'. Only the best materials have been used to create each piece of this collection (VVS clarity F-colour diamonds/brilliant cut diamonds, Colombian emeralds, Burmese rubies, South Sea pearls and Radiant Cuts, among others). Since the most exclusive materials have been used, and to maintain the opulence and rarity of each creation, this

collection has been restricted to only a limited number of pieces. 18kt White, Yellow and Pink Gold have been used to craft this ethereal collection. Most of the pieces are hand-made and it has taken over 600 hours to achieve the design, casting, setting and final finishing of the product.

AS Motiwala Fine Jewellery, have recently reinforced their leadership position in the market by winning several coveted awards this year - 'Luxury Retailer of the Year' at the Economic Times Retail Awards 2013, 'Global Achievers Award' at the Asia Pacific International Awards 2013 and 'The Editors' Choice Award & 'The Jury's Choice Award for the 'Diamond Vivaah Jewellery of the Year 2013 – All India' at the Retail Jeweller India Awards 2013.
