

RAVISHING BRIDES, DASHING GROOMS

It's the era of uber cool weddings. They are of course still made of dreams and wishes of an ethereal kind. Translating these dreams into fashionable reality is Jaguar Trousseau Week 2012. So, looking hot on your grand day is just a step away. Watch out for fresh hot styles resplendent in luxury designer, including Kimaya's Bridal Collection, wedding couture, jewellery, footwear and accessories meant for the dream bride and groom. And the way to make your wedding dreamy is just call away. For, the Trousseau Week is introducing premium wedding planners, stylists, pastry chefs, design consultants, bridal shoe vendors travel planners and luxury wedding service providers. The icing of course are those dazzling diamonds, made divinely special for the exquisite bride lined up at the AS Motiwala Fine Jewellery stall on display at Sublime Galleria in tandem with the Trousseau Week '12.
