**GLAMOUR WALK**

Trousseau Week, the annual three-day bridal event held at UB City, began with a series of events, parties and workshops with wedding planners. There was the launch of new ensembles and jewellery exhibited for the season. A well crafted fashion show, choreographed by Achala Sachdev from Mumbai, saw models showcasing reputed clients such as AS Motiwala, Avirate, Turquoise and Gold among others. Kimaya had a range of glittering new bridal wear in hues of fuschia and orange, teamed with stonework. Bangalore's crowds braved an unusually rainy evening to attend the black tie event.
